

You can significantly improve the look and feel of the rooms in your home or business without having to start over!

Visual Arts will work with your existing possessions to improve the way your rooms are organized and accessorized to show them at optimal effect. You will feel like you have had a professional makeover and your friends and guests will see your home in a new way. If you are a new home owner, we can help you make the important decisions about how to place furniture, art and accessories for a polished look.

Here are a few of the ways Visual Arts can help:

- *Home sale staging*
- *Space evaluation and recommendations for its best uses*
- *Placement and hanging of your art work*
- *Organization and arrangement of your furniture*
- *Ways to best display your favorite accessories*
- *Editing and elimination of visual clutter*
- *Lighting coordination*
- *Finding answers and solutions to other aesthetic questions and problems you might have*

If you are upgrading, we can also help you with these selections, such as:

- *Selecting paint colors that work with your overall environment*
- *Lighting improvements*
- *Art acquisition*
- *Custom framing of new or existing artwork*
- *Additional accessories*
- *Bedding and linens*
- *Furniture and Upholstery*
- *We will also be happy to source any of these things for you if you want us to.*

Give us a call at 612-677-1244 and we'll arrange to come and look at your home.
